

# Lights Out – User Manual

SS12 Competition  
February 14-15, 2015

*Team 4*

*Collin*

*Shayan B.*

*Alex V.*

*Jamey D.*

*Victor P.*

## Learning the basics...

Lights Out will be or is the most fun app you have played with.  
It was created with you in mind.

- There are 3 easy motions to learn!  
--More will be coming!

Let's Get Started..

The art of the Punch->

## Flying Fists of Fury

When the user receives a message to punch visually, verbally, or through haptic feedback they are allowed 5 seconds to recreate the motion shown below!

Blocking->

# Don't Leave Yourself Open!

When the user receives a message to block visually, verbally, or through haptic feedback they are allowed 5 seconds to recreate the motion shown below!

Counter->

# Adrenaline Rush!

When the user receives a message to rush visually, verbally, or through haptic feedback they are allowed 5 seconds to recreate the motion shown below!

LETS GO->

Ready to Rumble!!!

- Think you got what it takes to create the winning combination!
  - We sure do!
  - Now go and get the app fired up and get in the ring!

Thank You! Enjoy!
